Experience

Analyst, Sephora Media Network, June 2025 – Present

Sephora FSC, Remote

- Cleaned, collected, and analyzed data from first and third-party sources, as well as marketing partners.
- Automated and assessed brand-level hindsight and wrap reports for the brand marketing team.
- Collaborated with marketing, media, product, and technology to prove SMN value in a growing retail media space.
- Contextualized patterns in brand ROAS, CPC, CPM, and CTR to help investors understand campaign performance and circumstantial influence.

Operations Leader, August 2024 – Present (Operations Associate May 2022 - June 2024)

Sephora, Cape Cod, MA

- Managed a team to support KPIs like sales, client retention, and client conversion.
- Utilized Tableau to analyze key business trends and assess performance metrics, enabling data-driven decision-making.
- Brought the store audit from failing to passing, moving the store from non-compliant to compliant.
- Created structure for inventory management processes, resulting in a 76% decrease in storewide shrink.

Product Management Intern, Shopping Experience, June 2024 – August 2024

Sephora FSC, Remote

- Conducted market research to understand objectives and user pain points for a B2C company.
- Wrote and expanded feature requirements, epics, user stories and acceptance criteria.
- Translated business needs and product requirements across the shopping experience team, ensuring alignment between stakeholders and development.
- Maintained QA standards through frequent product review and bug-reporting in Jira.
